

Zipper Bag Fabrics & Colors

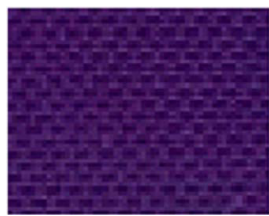

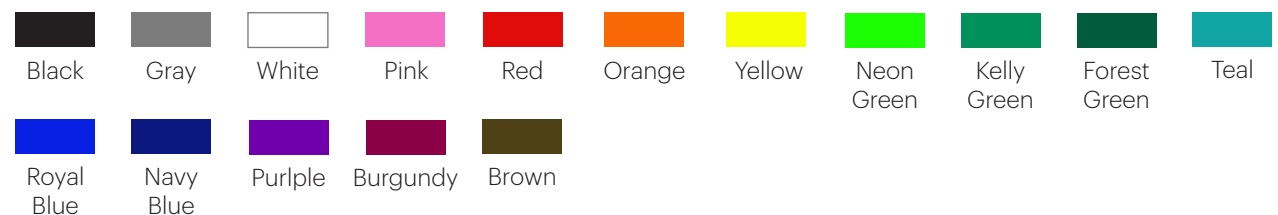

Expanded Vinyl

Expanded-able fabric with vinyl coating and leather-like grain. Easy to clean. Most commonly used in zipper wallets. This fabric can be silk-screen imprinted.

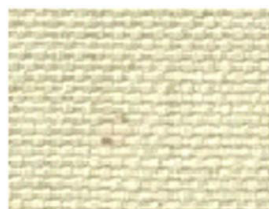

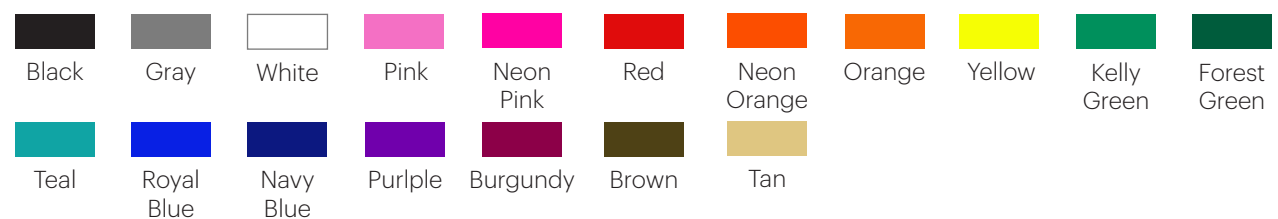

Laminated Nylon

3-ply construction of 70-denier fabric coated with waterproof polyvinyl and cotton twill backing. Provides greater strength and is more puncture resistant than standard nylon. This fabric is available for all bag styles. This fabric can be silk-screen imprinted or embroidered.

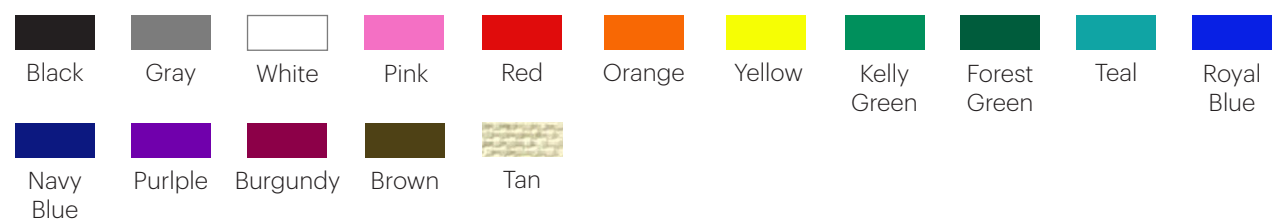

200 Denier Nylon

200-denier fabric with waterproof polyvinyl coating is extremely lightweight, yet sturdy. Most commonly used for transit bags. This fabric can be silk-screen imprinted.

Canvas

Available in 10 oz and 14 oz weight. Rugged cotton canvas is extremely durable. Its rigid construction is designed for everyday use. This fabric is available in all bag styles. This fabric can be silk-screen imprinted or embroidered.

1000 Denier or Basket Weave Nylon

A high-performance fabric resistant to abrasions, tears, scuffs and punctures. 1000 Denier and Basket Weave Nylon are the accepted standard for maximum durability and has a water repellent urethane coating. This fabric can be silk-screen imprinted or embroidered.
